Notice of Admissions Consultation

School is required to consult on our admissions arrangements (policy) every 7 years. The previous consultation for our school took place in 2012. We are therefore facilitating a consultation this term.

We will be consulting with:

Parents

Church

Other local Primary Schools

Our Local Authority - Lancashire

Diocese of Blackburn

The consultation will last for a period of 6 weeks starting 1st October 2019 (ending 12th November 2019).

Our proposed admission arrangements (policy) will be available on our website:

<https://www.haslingden-st-james.lancs.sch.uk/>

during this time for consideration. However, there have been no changes to the admission arrangements.

Any comments regarding the arrangements during the consultation may be sent to either our Chair of Governors, Mr Paul Adnitt c/o the school or myself.

Thank you for your time and attention in this matter.

Yours faithfully

F Brady
