

Miss Dunne chose the 'Tell me card'

Tell me about why you think  
Grandma and Lou don't  
believe that Stig is real.

Remember, we can use some prepositions that we looked at in the grammar section.

above	below	beneath
within	around	beyond

You could also use some of the different contraction we looked at in spelling last week!

Dear Diary,

As always when I am at Grandma's house, I went venturing off into the woods. I ventured beyond where I normally go. I ended up at this sort of cliff edge. I had never seen this area before. Before long, all I knew was that I was falling. Falling down, really fast!

I woke up and this strange man was looking at me. He seemed friendly enough. We chatted for a while and he even helped me get this plant that was wrapped around my feet off. I tried using my pen knife, but the man (who told me his name was Stig), used a really sharp stone.

I knew Grandma would be wondering where I had got to, so I promised Stig I would be back the next day and ran home as fast as I could.

When I got home, I told Grandma and Lou all about my day's adventure. But guess what? They didn't believe me. Lou just laughed. She laughed so much. Grandma nodded and smiled, but I knew she thought I had gone crazy cuckoo. So I just ate my tea. I don't get why they don't believe me. Stig is real! I don't know if he is a man, a creature or a sort of monster, but he is one hundred percent real!

I'm going to go back tomorrow and see him again before I go home for Christmas.

Love Barney.
