THANKFULNESS

Rationale

During any lockdown school will follow government guidelines regarding keeping children and staff safe when at school. To this end, school will minimise any places for children who will attend in order to prevent the spread of Covid-19.

When a lockdown is announced, school will need to take time to consider who school can open to while adhering to the school's risk assessment. School will risk assess how many children it can safely take, based on all practical considerations such as school's staffing levels, premises etc. There will be a maximum number of places set, the criteria of the allocation of which is set out below:

1. Children with EHCP, including those undergoing statutory assessment.
2. Families whom the school deem to be vulnerable
3. Children where both parents are critical workers or children with single parents who are critical workers. NHS and education workers to take priority if needed.
4. Children where only one of two parents is a critical worker. NHS and education workers to take priority if needed.

In relation to places for critical workers, it is school's expectation that if there is an adult/parent at home then children will stay at home to limit the numbers in school and prevent the further spread of infection.

In order to assess the demand for places, parents will be asked to complete a form confirming their status and provide key information. (Please see appendix 1) The school will put into place a booking system where a child's place will need to be booked two weeks in advance.

Appendix 1

St James' CE Primary School, Regent Street, Haslingden, BB4 5HQ
