A 20-week condensed Long-term plan focussing on the essential skills and knowledge of Music, in a shorter timescale.

At St James' C.E. Primary School, we understand that curriculum time is always tight. Therefore, we have created a condensed curriculum version of our Long-term plan to help us to ensure coverage of the national curriculum, without dedicating an hour a week to Music.

We have ensured there is a range of musical styles covered and that the Inter-related dimensions of music (pulse, pitch, duration, dynamics, tempo, timbre, texture, structure, appropriate musical notation) are given similar attention in terms of coverage. This version of our Long-term plan could be used if teaching Music in a two-week, half termly cycle or through blocking the foundation subjects. Or it could simply be used to relieve pressure on curriculum time.
