

Haslingden St. James' C. E. Primary School
Reception Homework - Summer 1 - Growth and Change.

Homework children must complete...

Practice your phonics sounds and find words that start with 't', 'n', and 'g' or have a 'oo' or 'igh' in them.

Read your home reading book
each day/ be read to -
even if it's a few pages before bed time!

Practise counting from 0 to 20 in
1's and 2's.

Children must also complete at least 3 of the homework tasks below ...

Science - Talk about seasonal changes the children notice within their local environment - trees, plants, flowers, etc. Bring in natural materials to share and talk about.

Maths - Involve your child with shopping trips. Talk about the values of different coins and the prices of shopping items.

Art - Talk about the texture of natural materials and living things in the environment. Collect different materials to make a collage.

Maths - To practice the days of the week, months of the year and the names of the seasons.

English - Encourage your child to re-tell the story read in class each week. Can they write a sentence about it?

School Values in action

*Patience,
Perseverance, Dignity
and Endurance.
Having kind words
and actions.*

Due - Week commencing 21st May
